

Holy Cross Lutheran Day School...

...is a non-profit organization sponsored by Holy Cross Lutheran Church at Geist Reservoir, Indianapolis, Indiana.

...is an extension of our ministry to the young child and the parents of our community.

...believes that a good beginning for every child is of great importance.

...believes that parents have the primary responsibility and privilege to provide the first Christian instruction and training for the child.

...can strengthen and support the parents in this responsibility by assisting and nurturing the child in his spiritual, social, intellectual, emotional and physical needs.

...focuses on the total development of each individual child.

...has a flexible and child-centered curriculum that provides quality education from caring, experienced and qualified teachers.

The curriculum is carefully planned to provide continuity and progressive development of the child. Children develop a positive self-image as they improve skills and learn to work both independently and with others. Classroom activities maintain a well-balanced variety of individual, small-group and whole-group instruction.

The curriculum includes:

- ❖ Religion
- ❖ Reading and Math Readiness
- ❖ Alphabet and Numerical Activities
- ❖ Language Development
- ❖ Nature and Science Experiences
- ❖ Large and fine motor Activities
- ❖ Music and Rhythmic Movement

Each day has a balance of free choice and group activity, quiet play and active play; indoor and outdoor play (when possible); large muscle and small muscle manipulation (cutting, puzzles, etc.).
